SUMMARY

Aspiring Cloud Security Engineer and B. Tech student with foundational knowledge in cybersecurity, network security, and cloud fundamentals. Passionate about securing cloud environments, learning emerging technologies, and developing practical skills through projects and certifications.

PROFESSIONAL EXPERIENCE

ServiceNow Virtual Intern (via AICTE & SmartBridge)

07/2026 – 08/2026

- Engineered automated business workflows using ServiceNow Flow Designer to manage enterprise databases and establish role-based user permissions.
- Training to design automated business workflows using ServiceNow Flow Designer and developer tools.
- Worked with Service Catalog, Incident Management, and automation features through hands-on projects.

Cloud Computing with AWS Intern

07/2026 – 08/2026

- Selected for an AICTE & MSME-approved internship in Cloud Computing with AWS.
- Configured secure AWS architectures utilizing IAM least-privilege principles, Amazon S3 bucket policies, and EC2 security groups.
- Developing hands-on experience in cloud resource management and secure cloud deployments.

Full Stack Web Development (Virtual), Intern

12/2025 – 01/2026 | Coimbatore

- Developed responsive web applications using HTML, CSS, JavaScript, and modern web development frameworks.
- Implemented database integration and optimized application functionality.
- Used Git and GitHub for version control and project management.

EDUCATION

B. Tech CSBS, KPR Institute of Engineering and Technology

08/2024 – Present | Coimbatore

- Pursuing a Bachelor of Technology (B.Tech.) in Computer Science and Business Systems (CSBS) at KPR Institute of Engineering and Technology (KPRIET), Coimbatore, affiliated with Anna University, with an expected graduation in July 2028.
- Building a strong foundation in computer science, software development, cloud computing, cybersecurity, data structures, database management systems, and business systems while developing analytical, problem-solving, and collaborative skills through academic projects and practical learning.

PROJECTS

ENC Cloud Storage | Full-Stack Web Application

- Architected and deployed a secure, responsive cloud file storage web application utilizing React, TypeScript, and Tailwind CSS.
- Engineered secure end-to-end file management workflows, including digital asset upload, cloud retrieval, and automated system storage.
- Integrated robust user authentication and role-based access-control mechanisms to safeguard sensitive user data against unauthorized access.
- Leveraged Manus AI-assisted development tools to accelerate software implementation, systematically debug source code, and streamline feature deployment.
- Established GitHub-based version control pipelines to execute reliable production deployments into a live, public-facing environment.

CERTIFICATES

Junior Cybersecurity Analyst Career Path | Cisco Networking Academy

Completed training in cybersecurity fundamentals, network security, threat analysis, and security operations.

Python Programming Track Mastery | CodeChef

Utilized Python to engineer algorithmic solutions, achieving 100% completion of the track covering Data Structures, Object-Oriented Programming (OOP), and computational logic.

Tata Cybersecurity Security Analyst Job Simulation on Forage

- Completed a job simulation involving identity and access management (IAM) for Tata Consultancy Services, collaborating with a Cybersecurity Consulting team.
- Acquired expertise in IAM principles, cybersecurity best practices, and strategic alignment with business objectives.
- Delivered comprehensive documentation and presentations, showcasing the ability to communicate complex technical concepts effectively.

SKILLS

- **Cloud Security & IAM:** AWS (IAM, S3, EC2), Identity & Access Management, Vulnerability Assessment.
- **Networking & Systems:** Network Security, Linux Fundamentals, Cisco Security Operations.
- **Development & Tools:** Python, JavaScript, Git, GitHub, ServiceNow Flow Designer, Wireshark, Nmap.

LANGUAGES

English (C1) | German (B1) | Nepali (Native Speaker) | Hindi (Fluent)
